

PRESCOTT/PETERSHAM DEER HUNT PERMITS DRAWN

Winning numbers for the 2023 Prescott/Petersham Controlled Deer Hunts were drawn in special a lottery open to the public on October 6, 2023, at the Quabbin Administration Building in Belchertown.

A total of 640 applications were received and all hunters that applied were admitted. The special lottery was conducted to place hunters into their preferred hunt zones. A complete list of hunting license numbers for selected individuals are available below.

Hunters could apply individually or up to 4 hunters on an application for the Prescott/Petersham Hunts. The selection process issued permits based upon the last 2 digits of all customer ID #'s listed on the application. If a customer ID # was selected, all hunters on the application received permits for that segment. Once selected, hunters were then removed from the pool of applicants.

The Quabbin Deer Hunt is an annual event conducted on Quabbin Reservoir watershed lands, implemented as part of the management program to maintain a balance between deer herd densities and forest regeneration.

All successful applicants will receive their hunting Access Permits from DCR via mail before the scouting on November 18 and 19, 2023. The Petersham Controlled Hunt will be on Wednesday, November 29 and Thursday, November 30, 2023. The Prescott Controlled Hunt will be on Wednesday, December 6 and Thursday, December 7, 2023.

For further information, please contact the Quabbin Visitor Center at (413) 323-7221.
