

Request for Proposals (RFP)

Passive U.S. Equity Large Cap Core Investment Management for the Massachusetts Port Authority Employees' Retirement System

The Board of the Massachusetts Port Authority Employees' Retirement System (MPAERS) is requesting proposals from interested firms for passive U.S. equity large cap core management. The MPAERS is seeking to identify a manager to manage an approximately \$160 million domestic equity mandate benchmarked to the Russell 1000 Index. Presently the System has assets approximating \$800 million. The RFP can be downloaded at <https://www.massport.com/massport/about-massport/employment/retirement-information/request-for-proposals/>. Completed responses must be received by 4:00 pm EST on June 30, 2023.
