

**Request for Proposals (RFP)
Active U.S. Equity Small Cap Value Investment Manager for the Massachusetts Port
Authority Employees' Retirement System**

The Board of the Massachusetts Port Authority Employees' Retirement System (MPAERS) is requesting proposals from interested firms for active U.S equity management. The MPAERS is seeking to identify a manager to manage an approximately \$12.5 million domestic equity mandate benchmarked to the Russell 2000 Value Index. Presently the System has assets approximating \$829 million. The RFP can be downloaded at
