TO ALL CONCERNED PARTIES

Re: Advisory Ruling 93-94-3

At the 2/24/93 meeting of the Auto Damage Appraisers Licensing Board (the Board) several decisions/opinions (see 3/8/93 correspondence) were rendered.

However the Board issued a retraction (4/16/1993) stating that the procedures required in the issuance of such advisory guidelines need be reviewed.

In the past months the Board has had the opportunity to review not only its procedures but the topics involved. At its 8/24/93 the Board revisited these topics.

The following is Advisory Ruling 93-94-3.

"All appraisals which per M.G.L Ch 26 Section 8G and 212 CMR 2.00 required an appraiser's license number, seal and signature must now include the registration number of the repair shop."

The following directive takes effect immediately and should be disseminated accordingly.

Failure to comply with this Ruling could result in a fine and/or other penalty to involved parties.

Respectfully yours,

*Stephen A. Weiss*
