

**Federal Fiscal Year 2024**  
**Department of Homeland Security, Federal Emergency Management Agency**  
**Emergency Management Performance Grant**

---

**Massachusetts Emergency Management Agency**  
**Notice of Funding Opportunity - REVISED**

**Program Overview/Description**

EMPG Program is one of the grant programs that constitute DHS/FEMA's focus on all-hazards emergency preparedness, including the evolving threats and risks associated with climate change. These grant programs are part of a comprehensive set of measures authorized by Congress and implemented by DHS. Among the goals noted in the DHS Strategic Plan, the EMPG Program supports the goal to Strengthen Preparedness and Resilience.

The [2022-2026 FEMA Strategic Plan](#) outlines a bold vision and three ambitious goals designed to address key challenges the agency faces during a pivotal moment in the field of emergency management. Wide-ranging and long-term, the goals defined in the plan respond to the changing landscape in which we find ourselves. The goals to meet this challenge are:

**Goal 1** - Instill Equity as a Foundation of Emergency Management

**Goal 2** - Lead Whole of Community in Climate Resilience

**Goal 3** - Promote and Sustain a Ready FEMA and Prepared Nation

All EMPG Program recipients are encouraged to review the 2022-2026 FEMA Strategic Plan and consider how Federal Fiscal Year (FFY) 2024 EMPG Program funding can be used to support the Plan's goals and objectives as they apply to state/territory's specific needs and the needs of the whole community.

**Objective**

The primary objective of the FY 2024 EMPG Program is to provide funds to assist state, local, tribal, and territorial emergency management agencies to implement the National Preparedness System (NPS) and to support the National Preparedness Goal (the Goal) of a secure and resilient nation. To that end, program objectives include: 1) closing capability gaps that are identified in the state or territory's most recent Stakeholder Preparedness Review (SPR); and 2) building or sustaining those capabilities that are identified as high priority through the Threat and Hazard Identification and Risk Assessment (THIRA)/SPR process and other relevant information sources.

**Purpose**

The Emergency Management Performance Grant (EMPG) provides funds to assist local and tribal governments with emergency management departments in preparing for all hazards and to obtain the resources required to support FEMA's [National Preparedness Goal's](#) Mission Areas and Core Capabilities. Funds may be used to support local and/or regional emergency management activities in the following cost categories: **Planning, Organizational, Equipment, Training, and Exercises.**

Full details regarding EMPG can be found by going to FEMA's website: <https://www.fema.gov/emergency-management-performance-grant-program>

**FEMA Priorities**

Applicants are required to develop and submit application that fall within one or more of the following national priorities: Equity; Climate Resilience; and Readiness

Projects should involve a collaborative negotiation process through which a common set of priorities will emerge based on a combination of national, state, regional, and community priorities. These priorities should be primarily driven by the THIRA/SPR process and other relevant information sources such as after-action reports, following exercises and real-world events; audit and monitoring findings; Hazard Mitigation Plans; and other deliberate planning products.

**FEMA's Authorized Equipment List:** <https://www.fema.gov/grants/guidance-tools/authorized-equipment-list>

### **Funding Availability**

Funding for this NOFO comes from the anticipated FFY 2024 EMPG (pending Federal Award, NOFO # EMB-2024-EP-05005), total EMPG Federal Award amount \$6,361,781; Federal Period of Performance for this grant; October 1, 2023, through September 30, 2026; Assistance Listing # 97.042.

Due to the overall decrease in EMPG funding from FEMA, MEMA has allocated \$2 million for pass-through subgrants. Each community will receive their original award amount minus SVI increases. "IF" down the road MEMA has additional funding for subgrants we will amend the SVI communities to increase their funding with contract amendments. Funding allocations are listed on pages 5-11 of this NOFO. Communities with bolded award amounts are SVI communities

### **Eligible Applicants**

Each Town, City and Federal-recognized tribes within Massachusetts, with an Emergency Management Department, are eligible to apply for FFY2024 EMPG funds. MEMA will only accept one application per eligible entity. Applications must be completed by or in coordination with the respective Local/Tribal Emergency Management Director(s).

For regional projects, you must include email(s) from the jurisdiction(s) that is contributing their funds stating that they: 1) support the project, and 2) identify the amount of funds that they will contribute towards the project. This email must come from the jurisdiction's EMD.

### **Cost Share or Match**

The EMPG program has a dollar-for-dollar cost-share requirement. The contribution can be cash (hard match) or in-kind (soft match). Communities and tribes shall agree to make available eligible match equal to or greater than the allocated award amount listed on pages 5-8. Match must be allowable, verifiable, and documented.

### **Unique Entity Identifier and System for Award Management (SAM)**

Unique entity identifier and System for Award Management (SAM) - Required. This paragraph must state clearly that each applicant (unless the applicant is an individual or Federal awarding agency that is excepted from those requirements under 2 CFR 25.110(b) or (c), or has an exception approved by the Federal awarding agency under 2 CFR 25.110(d)) is required to:

- Be registered in SAM before submitting its application;
- Provide a valid unique entity identifier (formally known as DUNS #) in its application; and
- Continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application

MEMA will not make a federal award to an applicant until the applicant has complied with all applicable unique entity identifier and SAM requirements. **If an applicant has not fully complied with the requirements, by the application due date, MEMA will deem the applicant ineligible and community's funding will be repurposed elsewhere.**

### **Reimbursement-Based Grant**

This is a reimbursement-based grant which means the community/tribe must spend their money then submit a request for reimbursement from MEMA. To be eligible for reimbursement, proper documentation must be submitted with the EM Grants Unit's Reimbursement Request Form.

All purchases must comply with [2 CFR 200.318](#) procurement laws and equipment must be tagged, maintained and inventoried.

*Equipment*, according to 2CFR200, means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000.

**Applicants cannot begin their projects or obligate 24EMPG grant funds until they have received a Notice to Proceed issued by the EM Grants Unit. Obligations that take place prior to this notice will be deemed ineligible and not reimbursement by MEMA.**

### **Annual Services/Fees**

MEMA will only consider the months within the contract period as eligible costs under reimbursement. Months/services outside the contract period may be used for a match but cannot be claimed for reimbursement.

### **FEMA Mission Area and Core Capabilities**

The National Preparedness Goal defines what it means for the whole community to be pared for all types of disasters and emergencies. The goal itself is succinct: *A secure and resilient nation with the capabilities required across the whole community to prevent, project against, mitigate, respond to, and recover from the threats and hazards that pose the greatest risk.* These risks include events such as natural disasters, disease pandemics, chemical spills and other man-made hazards, terrorist attacks and cyber-attacks.

The National Preparedness Goal describes five mission areas (listed above) and includes thirty-two (32) activities, called core capabilities, that address the greatest risks to the nation. Each of these core capabilities is tied to a capability target. These targets recognize that everyone needs the flexibility to determine how they apply their resources, based on the threats that are most relevant to them and their communities.

Applicants will need to include information regarding Mission Area and Core Capability your project falls within. Your project may fall within more than one so please only select the one that best fits your project.

Further information regarding Mission Area and Core Capabilities may be found on FEMA's website:

<https://www.fema.gov/emergency-managers/national-preparedness/mission-core-capabilities>

### **Grant Application Briefings**

MEMA will conduct grant application briefings that will walk through our revised application and submission process (schedule below). They will also answer questions regarding allowable expenses, match and other items as requested. You are strongly encouraged to join one of the following briefings.

DATE	TIME	Webinar Link	Call In #	PIN #
7/8/2024	2:00 pm	<a href="#">Join the meeting now</a>	857.327.9245	863 535 329#
7/9/2024	10:00 am	<a href="#">Join the meeting now</a>	857.327.9245	638 392 501#
7/9/2024	1:00 pm	<a href="#">Join the meeting now</a>	857.327.9245	103 895 395#
7/11/2024	9:00 am	<a href="#">Join the meeting now</a>	857.327.9245	658 954 81#

If you are unable to attend one of the above Applicant Briefings, we encourage you to reach out to the EM Grants Unit for full details and a one-on-one briefing. Your request should be submitted via email to: [EM.Grants@mass.gov](mailto:EM.Grants@mass.gov)

Full details including the NOFO, Application and a copy of the Applicant Briefing is available ion MEMA's website:

<https://www.mass.gov/info-details/emergency-management-performance-grant-empg>

### **Submission Process**

Eligible applicants must complete MEMA's EM Grants Unit Application. Please follow the below instructions:

**Application - Due Date ~~8/30/2024~~ 10/30/2024 (we will not accept application after this date, and funding will be repurposed)**

1. Complete your application and email it back to the EM Grants Unit at [EM.Grants@mass.gov](mailto:EM.Grants@mass.gov).
2. Do not mail hard copies, this will only delay the review/approval process
3. Your application will be reviewed for completeness and eligibility.
4. EM Grants Unit staff will contact you if we have questions or need further information regarding your application

**Proof of SAM Registration - Due Date ~~8/30/2024~~ 10/30/2024 (failure to submit by due date will close your project and funding will be repurposed)**

1. Email the EM Grants Unit at [EM.Grants@mass.gov](mailto:EM.Grants@mass.gov) your community's certificate (downloaded from SAM.gov).
2. SAM's documentation should be available from your CFO, Treasurer, and/or Town/City Administrator/Manager.
  - a. This registration is for the community as a whole, each department should NOT have their registration.
  - b. MEMA contracts with the Town/City NOT a Department within the Town or City.
  - c. SAM Registration must match with MEMA's "contractor"
3. Do not mail hard copies as this will only delay the review/approval process

**Subrecipient Pre-Award Risk Assessment Questionnaire (SPARQ) – Due Date ~~8/30/2024~~ 10/30/2024 (failure to submit by due date will close your project and funding will be repurposed)**

1. SPARQ form needs to be completed and signed by an individual in the organization with direct knowledge and/or oversight of internal controls, audits, and systems, such as the Chief Administrative Officer, Chief Executive Officer, or Chief Fiscal Officer.
2. Completed and signed forms must be email the EM Grants Unit at [EM.Grants@mass.gov](mailto:EM.Grants@mass.gov) along with other required application documentation.
3. Do not mail copies, this will only delay the review/approval process

**EHP, ICIP, SUAS, etc. – Due 10/30/2024 (failure to submit by due date will close your project and funding will be repurposed)**

1. If your project requires additional approvals (EHP, ICIP, SUAS, etc.), EM Grants Unit staff will provide you with these forms and offer assistance if needed with completing them.
2. Once completed you will need to email completed forms back to EM Grants Unit at [EM.Grants@mass.gov](mailto:EM.Grants@mass.gov) along with any additional documentation as required.
3. Do not mail hard copies as this will only delay the review/approval process
4. You will not be given a notice to proceed until all approvals have been received

**Contract / CASL- Due within 45 days after receiving from EM Grants Unit (failure to submit by due date will close your project and funding will be repurposed)**

1. Once your application is approved, the EM Grants Unit will send you the contract and CASL to be signed
  - a. Email your contract and CASL, for wet signature (hard copy mail required)
  - b. Email using adobe sign (delegate for proper signature)
2. MEMA has incorporated the Federal Articles of Agreement (terms and conditions), Procurement Certification and MEMA Special Conditions into the MA Standard Contract
3. By signing the MA Standard Contract, your Town/City/Tribe is agreeing to comply with all items incorporated into that contract.
4. Your Town/City/Tribal Official will need to complete and sign the CASL (Selectman, Council Member, Mayor, Manager, Administrator, etc.)
5. In most cases, the Emergency Manager/Director cannot appoint themselves as an authorized official; you may be listed on the CASL as an authorized signer.
6. Only an authorized signer, as listed on the CASL, can sign the contract
7. If you opted for the wet sign/original signed CASL and Contract must be mailed directly back to the EM Grants Unit at the following address:

Massachusetts Emergency Management Agency  
EM Grants Unit  
400 Worcester Road  
Framingham, MA 01702

8. Do not email signed scanned copies as this will only delay the review/approval process
9. All contracts will have a 6/30/2025 end date (*extension to this end date will be reviewed case by case and will require strong justification*)
10. You cannot begin your project until you have received a “Notice to Proceed” from the EM Grants Unit.
11. **Obligations prior to this notification will be considered ineligible and will not be approved for reimbursement.**

Please contact the EM Grants Unit if you have any questions or would like to discuss your project one-on-one by sending your request via email to: [EM.Grants@mass.gov](mailto:EM.Grants@mass.gov)

**RECAP TIMELINE:**

ACTION	DUE DATE
Application, properly completed	<del>8/30/2024</del> 10/30/2024
SAM Certification for Town/City ( <i>not department</i> )	<del>8/30/2024</del> 10/30/2024
SPARQ, properly completed and signed	<del>8/30/2024</del> 10/30/2024
EHP, ICIP, SUAS, etc. properly completed, signed with required documents	10/30/2024
Contract and CASL, properly signed	Within 45 days

***\*Failure to meet these due dates will result in MEMA closing your project and repurposing the funds***
